FADING Pre-Study RETENTION Rates Fee Example  
Proposal MDS... re-Study Proposal . 19 Jul 04 ...

Scott:

As discussed, please find the proposals which support the cost increase proposed under this amendment to MDS PA 41. I've attached the proposed rate schedule which should help you understand the cost differences between the two.

I've tried to reach Pam to find out the status of the actual physical bid waiver, but have not yet heard back from her. By copy of this, I will ask her to respond regarding its status (who has it, etc.).

Thanks,  
Valerie
